In re Application of :  
Todd K. Whitehurst et al :  
Application No. 10/057,144 : **DECISION ON PETITION**  
Filed: January 24, 2002 :  
Attorney Docket No. 05-00923-02 :

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed June 4, 2008, to revive the above-identified application.

The petition is **GRANTED**.

The petition satisfies the conditions for revival pursuant to the provisions of 37 CFR 1.137(b) in that (1) the reply in the form of an amendment; (2) the petition fee; and (3) the required statement of unintentional delay have been received. Accordingly, the reply to the final rejection mailed April 19, 2004, is accepted as having been unintentionally delayed.

This application has been abandoned for an extended period of time. The U.S. Patent and Trademark Office is relying on petitioner's duty of candor and good faith and accepting the statement that "the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional." See Changes to Patent Practice and Procedure, 62 Fed. Reg., at 53160 and 53178; 1203 Off. Gaz. Pat. Office, at 88 and 103 (responses to comments 64 and 109) (applicant obligated under 37 CFR 10.18 to inquire into the underlying facts and circumstances when providing the statement required by 37 CFR 1.137(b) to the U.S. Patent and Trademark Office).

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3208.

This application is being referred to Technology Center AU 3763 for appropriate action by the Examiner in the normal course of business on the reply received June 4, 2008.
